

Industrial Special Plant ISP

» Seven Cover Options in One Comprehensive Mobile Plant and Equipment Insurance Package

UAA understands the importance of protecting assets and tailoring insurance solutions to safeguard mobile plant and equipment.

Incorporating seven key cover options into one package, ISP has been designed to protect all types of mobile plant and equipment from the smallest post hole digger to the largest fixed or mobile cranes. ISP can be tailored to meet your needs and provides a simple and easy one quote, one application process.

» ISP combines seven Mobile Plant and Equipment Insurance Cover Options into one package, including:

- 1. Material Damage** – provides cover for owned mobile plant and equipment
- 2. Hired in Plant** – provides cover for non owned mobile machinery and plant hired in
- 3. Additional Benefits** – provides a combination of automatic and optional benefits which allows you to tailor coverage to your needs
- 4. Financial Protection** – provides a combination of covers which allows you to tailor coverage to protect your business from financial loss
- 5. Breakdown** – provides cover for mechanical breakdown of mobile machinery and equipment
- 6. Road Risk** – provides Third Party Property Damage cover for registered vehicles
- 7. Broadform Liability** – provides comprehensive Legal Liability protection for your business activities
