

Industrial Special Plant ISP

» Seven Cover Options in One Comprehensive Mobile Plant and Equipment Insurance Package

UAA understands the importance of protecting assets and tailoring insurance solutions to safeguard mobile plant and equipment.

Incorporating seven key cover options into one package, ISP has been designed to protect all types of mobile plant and equipment from the smallest post hole digger to the largest fixed or mobile cranes. ISP can be tailored to meet the needs of your client and provides a simple and easy one quote, one application process.

» ISP combines seven Mobile Plant and Equipment Insurance Cover Options into one package, including:

- 1. **Material Damage** – cover for owned mobile plant and equipment
- 2. **Hired in Plant** – cover for non owned mobile machinery and plant hired in by the insured
- 3. **Additional Benefits** – a combination of automatic and optional benefits which allows you to tailor coverage to the insured's business needs
- 4. **Financial Protection** – a combination of covers which allows you to tailor coverage to protect your insured's business from financial loss
- 5. **Breakdown** – cover for mechanical breakdown of mobile machinery and equipment
- 6. **Road Risk** – Third Party Property Damage cover for registered vehicles
- 7. **Broadform Liability** – provides comprehensive Legal Liability protection for the insured's business activities
