EXPERTS IN MOBILE PLANT PROTECTION

With a history dating back over 50 years, Underwriting Agencies of Australia (UAA) prides itself on innovative insurance solutions for the mobile plant industry in Australia, New Zealand and globally. Our focus is on developing long term relationships with our customers built on mutual respect and reliability.

Why Use UAA?

UAA specialises in insurance cover for industrial and commercial plant and equipment, particularly Mobile Plant and Equipment Insurance. Our expertise and professional services are provided by our customer-focused, highly skilled team who are responsive to client needs. Our proven track record of reliability combined with our state of the art operational systems ensure that as a customer of UAA you have a one-stop solution to your insurance needs.

Industrial Special Plant (ISP)

Our solution to your industrial and commercial plant and equipment insurance needs.

UAA understands the importance of protecting assets and tailoring insurance solutions to safeguard mobile plant and equipment.

Incorporating seven key cover options into one package, ISP has been designed to protect all types of mobile plant and equipment from the smallest pot hole digger to the largest fixed or mobile cranes. ISP can be tailored to meet your needs and provides a simple and easy one quote, one application process!

1. Material Damage	Provides cover for owned mobile plant and equipment
2. Hired in Plant	Provides cover for non-owned mobile machinery and plant hired in by the insured
3. Additional Benefits	Provides a combination of automatic and optional benefits which allows you to tailor coverage to suit your needs
4. Financial Protection	Provides a combination of covers which allows you to tailor coverage to protect your business from financial loss
5. Breakdown	Provides cover for mechanical breakdown of mobile machinery and equipment
6. Road Risk	Provides Third-Party property Damage cover for registered vehicles
7. Broadform Liability	Provides comprehensive Legal Liability protection for your business activities

ISP can be tailored to suit your business needs and includes the following additional benefits:

- Damage to Lifted Goods
- Multiple Crane Operation – Dual and Multi Lift cover
- Expediting Costs
- Recovery Costs (No Damage)
- Recovery Costs (Damage)
- Employees' property damage

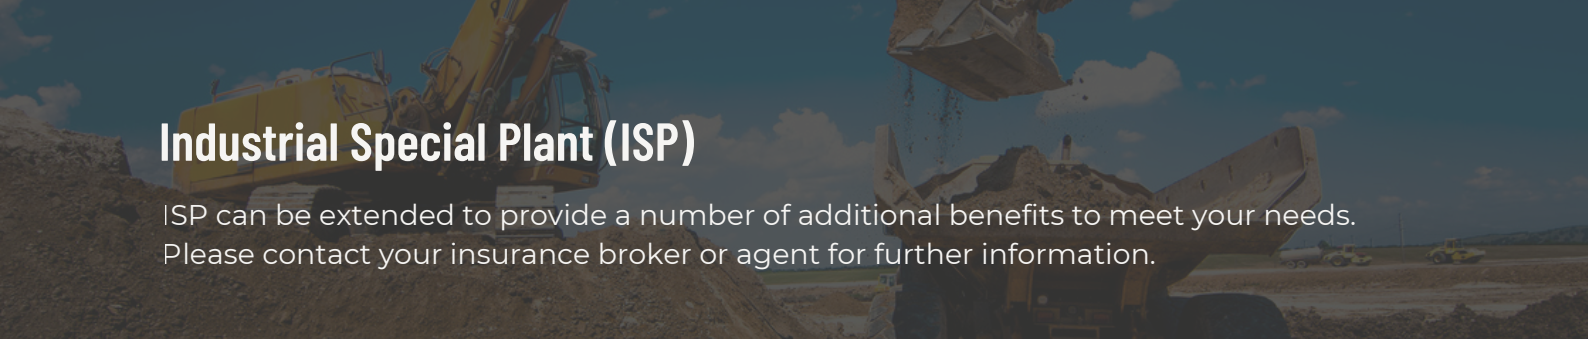
- Repatriation of Employee
- Locks and Keys
- Fire Brigade and/or Emergency Service Charges
- Funeral and Counselling Expenses
- Additions / Deletions of machines
- Trailer's not-owned



Industrial Special Plant (ISP)

ISP can be extended to provide a number of additional benefits to meet your needs. Please contact your insurance broker or agent for further information.

Benefits	Description and Sales Advantages
Agreed Value	Provides certainty of machine value for the insured.
Hired Out Plant – Damage Waiver Cover	Designed for where your machine is dry-hired and your hire agreement provides for the insured to arrange cover on behalf of the hirer, usually for a fee.
Owner's Protection Plus	Offers extra protection for the insured by covering incidents such as using machinery unlawfully or outside the manufacturer's guidelines, as long as the insured was not aware of such practices. It applies to both wet-hire and dry-hire.
Choice of cover type - Hired-In Plant	Blanket cover - Once the type of machinery typically hired is nominated, the insured is not required to notify us each time machinery is hired in. Specified cover - Ideal for plant on longer term hire.
Loss of hiring charges	Provides indemnity for ongoing hire charges whilst hired-in machinery is damaged and undergoing repairs.
On-Hire on Dry Hire terms	Designed to cover items that are dry hired in by the Insured then dry hired to another hirer.
Loss of Revenue and Increased Cost of Working	Recommended for machinery that the business is heavily reliant on to produce income and cannot be easily replaced.
Increased Cost of Working	Covers the increase in cost to continue operating whilst machinery is damaged and undergoing repairs. Recommended for machinery that can be easily replaced or hired.
Lease Payments Protection	Prolonged downtime can financially ruin a business, Lease Payment Protection covers 90% of the monthly Lease Payment on machines following a loss.
Lease Value Protection	Covers the gap between the lease payout amount following a total loss and the indemnity, up to a maximum of 25% of the indemnity.
